

## **THEME**

### **“To Provide Quality Education For All”**

#### **RATIONALE**

The vision of the college reads "Context Connected Characteristic Education for All". The Governing Council is highly committed to empower various sections of the society by imparting education. The management realized the problems confronting by economically and socially weaker section, women folk, differently able, transgender and other inclusive group of the society. In an endeavour to step up the quality education, the management has evolved various initiatives from time to time.
