

Institution shows gender sensitivity in providing facilities such as:

a) Safety and Security

b) Counselling

c) Common Room

Measures initiated by the institution for the promotion of gender equity during the last five years.

The college is very keen regarding safety and security of the girl students and women faculties. The following practices are practised are implemented in this regard. The college offers admissions to downtrodden, needy and economically weaker students. The college has discipline committee for continuous monitoring the security on the campus. The complaints related to the violation of disciplines are reported to the concerned staff and placed before the Principal and other members of the discipline committee. The confidence building is done by organising workshops and programs on use of sophisticated gadgets for girl students. The college campus is fully covered with sufficient light.

Squad system has been introduced in the college. Squad headed by senior teacher can easily monitors the corridors of all the floors of the building, classrooms, playground, canteen, laboratories, hostel and library. The college has Anti Sexual Harassment committee to take necessary action on sensitive issues of the girl students which helps in ensuring their vibrant presence. The entire campus is covered under CCTV cameras. The footage of the recording is often seen and necessary actions are taken, if any suspicious activity is observed by the Principal. The college staff has assigned campus supervision to maintain discipline in the campus. The college has adopted mentor scheme to solve the individual problems both academic and personal of the students College organises special lectures from eminent personalities to create legal awareness. Health and hygiene among the students. College has a separate ladies room for girl students.

b) Counselling

Women Cell of the college organises all important activities associated with the counselling of the students. Staff members motivate the students to improve their overall personality by

participating in various activities organised by the college. Staff members inspire the students of downtrodden and weaker section to come to the main stream of the society. The college has mentor mentee scheme, which recommends majority of the mentors to select a mentee especially from the disadvantaged and vulnerable category of the girl students. In the scheme the mentor follows the development of the mentee by providing personal counselling at the different stages. The personal problems of the girl students discussed with the committee members are kept confidential. Students are encouraged to join NCC, NSS, YRC and participate in co curricular and extracurricular activities. Importance is given for overall development of students through bridge courses, co curricular and extracurricular activities.

c) Common room:

The institution has provided separate common room for girls. College has women's hostel for the accommodation of students.
