Source: Primary data

1. Library

The analysis of this rating factor has illustrated that out of 100 respondents, 55% have agreed that library facility in the college is excellent, 27% have stated that it is Good, 5% have answered that the library facility is unsatisfactory and the remaining 10% have come to a conclusion that it is satisfactory.

It is observed from the above interpretation that majority (51%) of the respondents are satisfied with the Library facilities provided in the college.

2. Play ground/ sports facilities:

Out of 100 respondents surveyed, 50% have agreed that play ground/ sports facilities are excellent. 20% have said that it is good, 17% have expressed their satisfaction and remaining 11% are of the opinion that it is unsatisfactory.

It is observed from the above analysis that majority of the respondents are satisfied with play ground and other sports facilities.

3. Cultural activities/ N.S.S

According to the analysis of this factor, out of 100 respondents, 52% have stated that cultural and N.S.S activities are excellent in the College, 20% have agreed that it is good, 17% have expressed and remaining 11% are of the opinion that it is unsatisfactory.

The above Interpretation clearly shows that most of the respondents are satisfied with the cultural and N.S.S activities organised in the College.

4. Cleanliness in the college:

It is evident from the interpretation of this rating factor that out of 100 respondents surveyed, 39% have opined that Cleanliness maintained in the College is excellent, 22% are of the opinion that it is good, 15% have agreed that it is satisfactory, 24% have said that it is unsatisfactory.

It is visible from the above interpretation that most of the respondents are satisfied with the Cleanliness maintained in the College premises.

5. Reading Room

The interpretation of this rating factor has shown that out of 100 respondents surveyed, 55% are satisfied with Reading room facility, 28% have opined that it is good and 17% have expressed that it is satisfactory.

Form this analysis we can say that. Majority of the respondents are happy about reading facility provided in the College.

6. Grievances Redressal Cell

The analysis of this rating factor clearly shows that out of 100 respondents surveyed 55% have agreed that Grievances Redressal mechanism in the College is excellent and 33% have expressed that it is good, 12% have said that it is satisfactory.

The above analysis, clearly states that majority of the respondents are satisfied with the functioning system of Grievances Redressal Cell.

7. Disbursal of Scholarship

Out of 100 respondents surveyed, 69% of them have expressed that disbursal of Scholarship is excellent, 17% of them are of the opinion that it is Good, and the rest of the 3% have expressed satisfaction.

The above analysis clearly shows that majority of the respondents are happy about the Disbursal of Scholarship in the college

8. Computer facilities

The analysis of this rating factor clearly reveals that out of 100 respondents, 77% have said that Computer facility available in the College is excellent, 20% have expressed that it is good and 3% have agreed that it is satisfactory.

The above interpretation clearly shows that most of the respondents are happy about the computer facilities provided in the college.

9. Remedial Classes/ Tutorials.

As far as this rating factor is concerned, out of 100 respondents, 73% of the respondents have expressed that conducting remedial Classes/Tutorials is excellent and 27% of them have opined that it is good.

From the above interpretation, we can come to a conclusion that majority of the respondents are satisfied.

10. Canteen

The interpretation of this rating factor clearly illustrates that out of 100 respondents surveyed 88% have opined that Canteen facility is excellent, 3% have agreed and 9% have expressed that it is good.

From the above interpretation, it is visible that majority of respondents are satisfied with the canteen facility and given positive response.

11. Attitude and Co- operation of Administrative Staff towards students

The analysis of this rating factor clearly reveals that out of 100 respondents, 72% of them have agreed that Attitude and Co- operation of Administrative Staff is excellent, 14% have opined that it is good, 10% have expressed and remaining 4% are of the opinion that it is unsatisfactory.

From the above analysis, it is observed that majority of the respondents are satisfied with the Attitude and Co- operation of Administrative Staff towards students.

12. Availability of principal in the college and response to the students problem

It is evident from the above table that out of 100 respondent, 79% are of the opinion the availability of Principal in the College and response to the students problems is excellent, 8% of the respondents have said that it is Good and the rest of the 13% have expressed satisfaction.

From the above interpretation, it is visible that majority of respondents have given positive response.

Observations/Findings:

Source: Primary data

1. Library

The analysis of this rating factor has illustrated that out of 100 respondents, 50% have agreed that library facility in the college is excellent, 30% have stated that it is Good, 15% have answered that the library facility is unsatisfactory and the remaining 5% have come to a conclusion that it is satisfactory.

2. Play ground/ sports facilities:

Out of 100 respondents surveyed, 65% have agreed that play ground/ sports facilities are excellent. 20% have said that it is good, 5% have expressed their satisfaction and remaining 10% are of the opinion that it is unsatisfactory.

It is observed from the above analysis that majority of the respondents are satisfied with play ground and other sports facilities.

3. Cultural activities/ N.S.S

According to the analysis of this factor, out of 100 respondents, 58% have stated that cultural and N.S.S activities are excellent in the College, 22% have agreed that it is good, 7% have expressed that it is unsatisfactory and the rest of 13% have opined that it is satisfactory.

The above Interpretation clearly shows that most of the respondents are satisfied with the cultural and N.S.S activities organised in the College.

It is observed from the above interpretation that majority (59%) of the respondents are satisfied with the Library facilities provided in the college.

4. Cleanliness in the college:

It is evident from the interpretation of this rating factor that out of 100 respondents surveyed, 42% have opined that Cleanliness maintained in the College is excellent, 26% are of the opinion that it is good, 12% have agreed that it is satisfactory, 20% have said that it is unsatisfactory.

It is visible from the above interpretation that most of the respondents are satisfied with the Cleanliness maintained in the College premises.

5. Reading Room

The interpretation of this rating factor has shown that out of 100 respondents surveyed, 15% are satisfied with Reading room facility, 50% have opined that it is good, 30% have expressed that it is satisfactory, and the remaining 5% have expressed that it is unsatisfactory.

Form this analysis we can say that. Majority of the respondents are happy about reading facility provided in the College.

6. Grievances Redressal Cell

The analysis of this rating factor clearly shows that out of 100 respondents surveyed 64% have agreed that Grievances Redressal mechanism in the College is excellent, 28% have expressed that it is good, 8% have said that it is satisfactory.

The above analysis, clearly states that majority of the respondents are satisfied with the functioning system of Grievances Redressal Cell.

7. Disbursal of Scholarship

Out of 100 respondents surveyed, 72% of them have expressed that disbursal of Scholarship is excellent, 28% of them are of the opinion that it is Good.

The above analysis clearly shows that majority of the respondents are happy about the Disbursal of Scholarship in the college

8. Computer facilities

The analysis of this rating factor clearly reveals that out of 100 respondents, 76% have said that Computer facility available in the College is excellent, 24% have expressed that it is good.

The above interpretation clearly shows that most of the respondents are happy about the computer facilities provided in the college.

9. Remedial Classes/ Tutorials.

As far as this rating factor is concerned, out of 100 respondents, 80% of the respondents have expressed that conducting remedial Classes/Tutorials is excellent, 20% of them have opined that it is good.

From the above interpretation, we can come to a conclusion that majority of the respondents are satisfied.

10. Canteen

The interpretation of this rating factor clearly illustrates that out of 100 respondents surveyed 90% have opined that Canteen facility is excellent, 10% have agreed that it is good.

From the above interpretation, it is visible that majority of respondents are satisfied with the canteen facility and given positive response.

11. Attitude and Co- operation of Administrative Staff towards students

The analysis of this rating factor clearly reveals that out of 100 respondents, 68% of them have agreed that Attitude and Co- operation of Administrative Staff is excellent, 20% have opined that it is good, 10% have expressed that it is satisfactory and the remaining 2% are of the opinion that it is unsatisfactory.

From the above analysis, it is observed that majority of the respondents are satisfied with the Attitude and Co- operation of Administrative Staff towards students.

12. Availability of principal in the college and response to the students problem

It is evident from the above table that out of 100 respondent, 82% are of the opinion the availability of Principal in the College and response to the students problems is excellent, 18% of the respondents have said that it is Good.

From the above interpretation, it is visible that majority of respondents have given positive response.

Observations/Findings:

The analysis of the students' feedback on overall institutional performance has enabled to identify the following.

1. It is found that the students are expected to varieties of foods is demanded from the college canteens.

Source: Primary data

1. Library

The analysis of this rating factor has illustrated that out of 100 respondents, 62% have agreed that library facility in the college is excellent, 28% have stated that it is Good, 10% have answered that the library facility is unsatisfactory.

It is observed from the above interpretation that majority (62%) of the respondents are satisfied with the Library facilities provided in the college.

2. Play ground/ sports facilities:

Out of 100 respondents surveyed, 60% have agreed that play ground/ sports facilities are excellent. 22% have said that it is good, 18% have expressed their satisfaction.

It is observed from the above analysis that majority of the respondents are satisfied with play ground and other sports facilities.

3. Cultural activities/ N.S.S

According to the analysis of this factor, out of 100 respondents, 65% have stated that cultural and N.S.S activities are excellent in the College, 30% have agreed that it is good, 5% have expressed that it is unsatisfactory.

The above Interpretation clearly shows that most of the respondents are satisfied with the cultural and N.S.S activities organised in the College.

4. Cleanliness in the college:

It is evident from the interpretation of this rating factor that out of 100 respondents surveyed, 49% have opined that Cleanliness maintained in the College is excellent, 28% are of the opinion that it is good, 13% have agreed that it is satisfactory, 10% have said that it is unsatisfactory.

It is visible from the above interpretation that most of the respondents are satisfied with the Cleanliness maintained in the College premises.

5. Reading Room

The interpretation of this rating factor has shown that out of 100 respondents surveyed, 53% are Excellent with Reading room facility, 33% have opined that it is good, 9% have expressed that it is satisfactory, and the remaining 5% have expressed that it is unsatisfactory.

Form this analysis we can say that. Majority of the respondents are happy about reading facility provided in the College.

6. Grievances Redressal Cell

The analysis of this rating factor clearly shows that out of 100 respondents surveyed 72% have agreed that Grievances Redressal mechanism in the College is excellent, 14% have expressed that it is good, 14% have said that it is satisfactory and the remaining 0% are unsatisfied with this rating factor.

The above analysis, clearly states that majority of the respondents are satisfied with the functioning system of Grievances Redressal Cell.

7. Disbursal of Scholarship

Out of 100 respondents surveyed, 80% of them have expressed that disbursal of Scholarship is excellent, 12% of them are of the opinion that it is Good, and the rest of the 8% have expressed satisfaction.

The above analysis clearly shows that majority of the respondents are happy about the Disbursal of Scholarship in the college

8. Computer facilities

The analysis of this rating factor clearly reveals that out of 100 respondents, 80% have said that Computer facility available in the College is excellent, 10% have expressed that it is good and 10% have agreed that it is satisfactory.

The above interpretation clearly shows that most of the respondents are happy about the computer facilities provided in the college.

9. Remedial Classes/ Tutorials.

As far as this rating factor is concerned, out of 100 respondents, 82% of the respondents have expressed that conducting remedial Classes/Tutorials is excellent, 18% of them have opined that it is good.

From the above interpretation, we can come to a conclusion that majority of the respondents are satisfied and the least 5% of the respondents are not satisfied.

10. Canteen

The interpretation of this rating factor clearly illustrates that out of 100 respondents surveyed 88% have opined that Canteen facility is excellent, 12% have agreed that it is good.

From the above interpretation, it is visible that majority of respondents are satisfied with the canteen facility and given positive response.

11. Attitude and Co- operation of Administrative Staff towards students

The analysis of this rating factor clearly reveals that out of 100 respondents, 71% of them have agreed that Attitude and Co- operation of Administrative Staff is excellent, 18% have opined that it is good, 11% have expressed that it is satisfactory and the remaining 2% are of the opinion that it is unsatisfactory.

From the above analysis, it is observed that majority of the respondents are satisfied with the Attitude and Co- operation of Administrative Staff towards students.

12. Availability of principal in the college and response to the students problem

It is evident from the above table that out of 100 respondent, 83% are of the opinion the availability of Principal in the College and response to the students problems is excellent, 17% of the respondents have said that it is Good.

From the above interpretation, it is visible that majority of respondents have given positive response.

Findings

The following observation made in the analysis of the student's feedback.

1. It is noticed that the students demand more English news papers in the library/reading room.
2. It is noticed that lack of sport facilities (i.e. playground) and also expressed students received some monetary benefits from the sport department (refreshment purpose).

1. Library

The analysis of this rating factor has illustrated that out of 100 respondents, 55% have agreed that library facility in the college is excellent, 20% have stated that it is Good, 5% have answered that the library facility is unsatisfactory and the remaining 20% have come to a conclusion that it is satisfactory.

It is observed from the above interpretation that majority (55%) of the respondents are satisfied with the Library facilities provided in the college.

2. Play ground/ sports facilities:

Out of 100 respondents surveyed, 63% have agreed that play ground/ sports facilities are excellent. 22% have said that it is good, 5% have expressed their satisfaction and remaining 10% are of the opinion that it is unsatisfactory.

It is observed from the above analysis that majority of the respondents are satisfied with play ground and other sports facilities.

3. Cultural activities/ N.S.S

According to the analysis of this factor, out of 100 respondents, 60% have stated that cultural and N.S.S activities are excellent in the College, 25% have agreed that it is good, 3% have expressed that it is unsatisfactory and the rest of 12% have opined that it is satisfactory.

The above Interpretation clearly shows that most of the respondents are satisfied with the cultural and N.S.S activities organised in the College.

4. Cleanliness in the college:

It is evident from the interpretation of this rating factor that out of 100 respondents surveyed, 42% have opined that Cleanliness maintained in the College is excellent, 25% are of the opinion that it is good, 12% have agreed that it is satisfactory, 21% have said that it is unsatisfactory.

It is visible from the above interpretation that most of the respondents are satisfied with the Cleanliness maintained in the College premises.

5. Reading Room

The interpretation of this rating factor has shown that out of 100 respondents surveyed, 49% are satisfied with Reading room facility, 29% have opined that it is good, 15% have expressed that it is satisfactory, and the remaining 7% have expressed that it is unsatisfactory.

Form this analysis we can say that. Majority of the respondents are happy about reading facility provided in the College.

6. Grievances Redressal Cell

The analysis of this rating factor clearly shows that out of 100 respondents surveyed 65% have agreed that Grievances Redressal mechanism in the College is excellent, 29% have expressed that it is good, 5% have said that it is satisfactory and the remaining 1% are unsatisfied with this rating factor.

The above analysis, clearly states that majority of the respondents are satisfied with the functioning system of Grievances Redressal Cell.

7. Disbursal of Scholarship

Out of 100 respondents surveyed, 79% of them have expressed that disbursement of Scholarship is excellent, 20% of them are of the opinion that it is Good, and the rest of the 5% have expressed satisfaction and 1% have agreed that it is satisfactory.

The above analysis clearly shows that majority of the respondents are happy about the Disbursement of Scholarship in the college

8. Computer facilities

The analysis of this rating factor clearly reveals that out of 100 respondents, 69% have said that Computer facility available in the College is excellent, 20% of them are of the opinion that it is Good, and the rest of the 9% have expressed satisfaction and 2% have agreed that it is satisfactory.

The above interpretation clearly shows that most of the respondents are happy about the computer facilities provided in the college.

9. Remedial Classes/ Tutorials.

As far as this rating factor is concerned, out of 100 respondents, 72% of the respondents have expressed that conducting remedial Classes/Tutorials is excellent, 20% of them have opined that it is good, 8% of them have expressed satisfaction.

From the above interpretation, we can come to a conclusion that majority of the respondents are satisfied and the least 5% of the respondents are not satisfied.

10. Canteen

The interpretation of this rating factor clearly illustrates that out of 100 respondents surveyed 68% have opined that Canteen facility is excellent, 15% have agreed that it is good, 9% are of the opinion that it is satisfactory and the rest 8% have expressed that it is unsatisfactory

From the above interpretation, it is visible that majority of respondents are satisfied with the canteen facility and given positive response.

11. Attitude and Co- operation of Administrative Staff towards students

The analysis of this rating factor clearly reveals that out of 100 respondents, 65% of them have agreed that Attitude and Co- operation of Administrative Staff is excellent, 22% have opined that it is good, 10% have expressed that it is satisfactory and the remaining 3% are of the opinion that it is unsatisfactory.

From the above analysis, it is observed that majority of the respondents are satisfied with the Attitude and Co- operation of Administrative Staff towards students.

12. Availability of principal in the college and response to the students problem

It is evident from the above table that out of 100 respondent, 77% are of the opinion the availability of Principal in the College and response to the students problems is excellent, 20% of the respondents have said that it is Good and the remaining 3% have agreed that they are satisfied with Availability of principal in the college and response to the students problem.

From the above interpretation, it is visible that majority of respondents have given positive response.

Findings:

The analysis of the student's feedback on overall institutional performance has enabled to identify the following.

1. It is found that insufficient number of books as per the new CBCS syllabus and sum students highlighted the requirement of new journals/magazines.
2. It also highlights that the inadequate playground facility in the college premises.
3. Finally noticed that the students are happier about the subsidised mid-day meal facility.

Suggestions:

Based on the findings, the following suggestions are laid down by the feedback committee,

1. Necessary steps are to be taken by the college to get sufficient books, journals and magazines.
2. The college has to take necessary steps to avail the playground facility.
3. The college has to take some necessary steps to manage the mid-day meal facility to the students in effective manner.

Action Report

SL.NO	FINDINGS	ACTION TAKEN
01.	It is found that insufficient number of books as per the new CBCS syllabus and sum students highlighted the requirement of new journals/magazines.	As per the suggestion Necessary steps are to be taken by the college to get sufficient books, journals and magazines.

02.	It also highlights that the inadequate playground facility in the college premises.	Management has coordinated with university of mysore for university playground
03.	Finally noticed that the students are happier about the subsidised mid-day meal facility.	Management has decided to continue with the mid-day meal facility

STUDENT FEEDBACK SURVEY AND ACTION REPORT: 2020-21
